■ Introduction of Exhibition

Happy Days Are Here Again is Kim Yongchul's first solo exhibition both in Hong Kong and with the gallery. This exhibition on one hand showcased Kim's eight pieces of new paintings, including three small works entitled "I and You", "You and I" and "...With You". In these three works painted with brilliantly vibrant colors, Kim divided the canvases into two sections, one filled with his iconic big heart figure and the other with the work titles written in Chinese. These three works in particular celebrate the relationship between lovers and love in general, spreading love and hope still three decades after his first heart paintings. Other works in this exhibition include numerous birds and blossoms paintings, with Chinese characters like "Fortune" and "Spring" which resembles "the new beginning" in Korean culture. Kim never stopped making works that bring his viewers joy and in 2019, Happy Days Are Here Again is more relevant and refreshing in the current political state, than ever.

Event Information		
START DATE 27 Feb 2020	Soluna Fine Art, G/F, 52 Sai Street, Sheung Wan, Hong Kong	https://www.solunafineart.com/
END DATE 28 Mar 2020		

The gallery will exhibit eight artists from Korea: **Choi Myoung Young, Choi Sun, Jang Young-Sook, Kim Woo Young, Kim Yongchul, Lee Kyouhong, Park Jisook, and Park Yoon-Kyung**; vary in age, background and medium, the artists apply the colour indigo into their works with different intentions and motives. The exhibition title comes from the traditional Korean colour spectrum (the Five-Orientation-Colour), often seen in folk arts and traditional textile patterns, and represents the Yin-Yang and Five Elements theories. *Obangsaek: Indigo* starts from 27 February to 28 March.

The colour indigo or blue is associated with the element wood and the direction east. In the Korean flag, this colour symbolizes "Eum" or "Yin", which is "cool, feminine" energy. The "Eum" energy is associated with the moon and is passive, yielding and receptive, which also inspired the name of this gallery Soluna (luna, moon feminine noun in Spanish). Indigo/blue is balanced by red in the Korean flag. While red represents the passionate energy of life, indigo/blue represents its opposite, silence and calming energy. This exhibition will be part of the Obangsaek Series, a series of five exhibitions aim to explore and analyze art works constructed with the Five-Orientation-Colour, all created by emerging and established Korean contemporary artists.

【JET Art】燦爛新世界

除了簡約、充滿解讀空間的單色畫，韓國藝壇還有很多不一樣的創作。今個暑假，Soluna Fine Art便與著名南韓畫家金容哲合作舉辦展覽「喜逢泰來」，為香港帶來色彩濃厚斑斕的作品。他的作品從來都與韓國當地的社會息息相關，燦爛的畫作便是對醜惡政治環境做出回應。他曾說：「我們應該在面對困境時對未來抱有希望，而不是沮喪挫敗和批評。」在新展覽中，「愛」、「心」、「福」、「春」等字眼貫穿新系列，讚頌戀人關係和愛情，同時利用作品傳播希望和愛。

展覽日期：即日至7月4日

開放時間：10:00am-6:00pm

...

artandpiecehk 從「五方色」看韓國當代藝術「五方色」一說源自道家，意指青（藍）、赤（紅）、白、黑、黃，各自代表木、火、金、土、水五種自然元素。如此色彩學傳至朝鮮成為傳統，從韓服到國旗，你都能找到「五方色」的蹤影。

一向鍾情韓國藝術的畫廊 Soluna Fine Art，本月舉辦「五方色：蓼藍」展覽，展出八位不同年齡、背景、流派和媒介的韓國藝術家，探討他們如何運用五方色中的「蓼藍」，以及箇中象徵。從抽象的單色畫、幾何線條，到不同素材、媒介的運動，觀者可見韓國藝術家們對蓼藍色的演繹和重視。可能如水流動，亦可能如風輕柔，或如憂鬱般沉重。

展覽推介

蓼藍

日期：即日起至3月28日

時間：星期一至六上午10時至下午6時

地點：上環西街52號 Soluna Fine Art

內容：「五方色」指青、赤、白、黑、黃，其中「青」是偏藍的青色，如蓼藍草染出來的靛青色，而「五方色」亦是韓國傳統紡織品、藝術品常用的顏色。現正舉辦的展覽「五方色：蓼藍」展出8位不同年齡、背景及使用不同媒介的韓國藝術家作品，包括崔明永、崔宣、張英淑等，他們的作品共同點是運用了靛青色，如金容哲繪畫花朵和雀鳥等正能量圖案，背景為大片靛青色，予人祥和恬靜之感。若有興趣了解顏色與韓國文化的關係，不妨透過8位藝術家的作品探究一番。
